No 750 of 1862.—His Excellency the Governor General in Council is pleased to extend to Officers on leave the Rule which permits Officers of one Presidency, when absent on duty, to draw their Pay and Allowances from the Pay Authorities of any other Presidency at which they may be residing, and to lay down the following Rules for future guidance:—

Officers of one Presidency may draw advances on account of their Pay and Allowances which have become due from Pay-Masters at any other Presidency at which they may be residing, whether on duty or on leave on Medical Certificate or Private Affairs

Officers so situated must furnish, with their Bills, a last Pay Certificate from their own Presidencies, shewing specifically the sums to be deducted and the amount to which entitled, and also indicate the General Order or other Authority under which they are absent.

These Rules are also applicable to cases of Officers embarking for Europe from any other than their own Presidencies and who may be entitled under the Furlough Regulations, to advances of Pay and Allowances

In cases of Staff Officers so situated their last Pay Certificate is to specify clearly the amount of half Staff salary to which they may be entitled during their leave

In cases of emergency, when last Pay Certificates cannot be produced, advances on account of unadjusted arrears of pay may be made on good Security for the amount being furnished

Bills for any admissible passage money are to be supported by a sufficient Guarantee from the Agents of the Ship or other parties that half the passage money will be refunded in the event of the Officer dying after engagement of his passage, or before the Vessel puts to Sea

Pay-Masters making advances under these Rules are invariably to record the same on the back of the last Pay Certificate, and will make the necessary communication to the Pay-Master of the other Presidency concerned with the least possible delay, and if Security be taken, it is also to be noted on the Pay Certificate

If proof be forthcoming that an Officer has already furnished Security at his own Presidency for any demands on the part of Government which may arise, fresh Security is not to be required by Pay-Masters of any other Presidencies

All over-drawings or short charges will always be adjusted by the Pay Authorities of the Presidency to which the Drawing Officers may belong

All other orders on this subject at the three Presidencies are hereby superseded

Rules for redemption of land revenue under Resolution of the Supreme Government, dated 17th October 1861.

1. In lands assessed with a fixed Jumma and a fluctuating Abiana or water-rate, only the fixed Jumma is redeemable. The Abiana will continue to be paid as at present.

2. Commutation revenue and nazarana are not redeemable except where the payer is also proprietor of the soil. Where, however, commutation or nazarana is thus redeemed, it is to be borne in mind that, in the event of the quit rent tenure lapsing, the land will still be liable for the balance of revenue due upon it.

3. Where, in addition to the revenue payable into the Government Treasury, the Government has assigned a further payment to a Taluqadar, Choudhri, or other headman under whatever designation, to maintain his dignities and emoluments, these fees will not be redeemable any more than Lumberdar's fees, or Pachotra.

4. The only remaining points which need be ruled have been already disposed of by the correspondence published in the *Punjab Gazette Supplement* of the 18th June 1862, and the principles therein laid down are to be followed in regard to redemption of cesses, and of the land revenue on portions of mehals.

5. The annexed form of Sanad is to be given to persons who have redeemed their revenue on receipt of the redemption money, which is to be paid in full before the demand of revenue is intermitted. When, however, redemption may have been effected under the 1st and 2nd of the Rules above given, the form of Sanad will have to be modified according to circumstances.

Read a letter from the Officiating Civil Pay-Master, Punjab, No 148, dated 13th June last, and its enclosures, enquiring whether tentage and house allowance of Regimental Officers are exempt from the Income Tax

Read a Report thereon by the Civil Pay-Master, Fort William, dated 18th ultimo.

RESOLUTION.—His Excellency the Governor General in Council observes that, under the 129th Section of the Income Tax Act, Military Officers are entitled to exemption from the duties in respect of tentage or house allowance, or any allowance in lieu of house rent which they draw as part of their Military allowances, even though such allowances be chargeable to the Civil Department.

Under the orders of 2nd May 1862 a certain sum out of the pay of Officers in the Staff Corps has been declared to be exempt from Income Tax. This sum was intended to correspond to the tentage allowance drawn by Regimental Officers.

But His Excellency in Council observes that the practice of the several Civil Pay-Masters in regard to the tentage allowance of Regimental Officers, in the Public Works Department, has not been uniform. The Governor General in Council accordingly directs that the tentage allowance of Regimental Officers shall be exempt from Income Tax without regard to the Department against which the allowances of those Officers be chargeable.

ORDERED, that a copy of the above Resolution be forwarded to the Public Works Department with reference to its Office Memorandum No. 811, dated 16th March 1861.

Copy also to the Government, North-Western Provinces, with reference to its letter No. 443A., dated 5th November 1861.

Copy also to the Punjab Government with reference to its letter No. 1612, dated 23rd October 1860.

Copy also to the Civil Pay-Master, Punjab, in reply to his enquiry of the 13th June last.

Ordered also, that a copy be published in the *Calcutta Gazette* for general information.

The Managers now propose an amendment of the last Clause of Rule 21, so as to provide for the Auditor and Accountant-General to the Government of India, when a Subscriber to the Fund, being an Ex-officio Manager.

A desire has been expressed by many Subscribers for the reference of the affairs of the Fund to a professional Actuary before any reduction of rates be finally decided upon. The Managers are favorable to such a reference, which, they believe, will support the conclusions at which they have arrived, and allay the fears of some of the Subscribers.

In the prospect of this reference the Managers think that it might appear precipitate to press the question to immediate decision, and they have, therefore, agreed not to submit to this Meeting the proposals for immediate reduction, which have been advertized; and to take steps, with the concurrence of the Meeting, for having the requisite information collected with the view of placing the whole affairs of the Fund before a professional Actuary.

Proposed by Mr. Sandeman, seconded by Mr. Prinsep, and resolved that the admission of the families of Messrs. Wylly, Chapman, and Longmore, and the re-admission of Mrs. Beachcroft (formerly Prinsep) to the benefits of the Fund, be confirmed.

Proposed by the Hon'ble Mr. Devereux, and seconded by Mr. Monteath, that this Meeting approve of the amendment of the last Clause of Article 21, proposed by the Managers, so as to provide for the Auditor and Accountant-General to the Government of India being an Ex-officio Manager when a Subscriber to the Fund.

The following amendments on the above were proposed:—

Moved by Mr. Waterfield, seconded by Mr. Wauchope, and carried, that the words “when a Subscriber to the Fund” be omitted.

Moved by Mr. Sandeman, seconded by Mr. Spedding, and carried, that the words “when a Member of the Covenanted Civil Service in any Presidency” be added in lieu of the words omitted.

With the above amendments the proposal was adopted, the effect on the Rule being as shewn below:—

Former Clause.

A Committee of Managers of the Fund shall, at each January Meeting, be appointed for the ensuing year, and shall consist of the Secretaries to the Government of India in the Home and Financial Departments and the Civil Pay-Master for the time being, six others to be elected at such Meeting.

Amended Clause.

A Committee of Managers of the Fund shall, at each January Meeting, be appointed for the ensuing year, and shall consist of the Secretaries to the Government of India in the Home and Financial Departments, the Auditor and Accountant-General to the Government of India, when a Member of the Covenanted Civil Service in any Presidency, and the Civil Pay-Master for the time being, with five others to be elected at such Meeting.

Proposed by Mr. Wauchope, seconded by Mr. Geoghegan, and resolved, that this Meeting approve of the proposal of the Managers to take the necessary steps for having the requisite information collected with the view of placing the whole affairs of the Fund before a professional Actuary.

Proposed by Mr. Wauchope, seconded by Mr. Sandeman, and resolved, that the Hon'ble W. S. Seton-Karr be elected a Manager in the room of Mr. Temple.

A vote of thanks was passed to the Chairman.

LEGISLATIVE.

FORT WILLIAM, THE 9TH AUGUST 1862.

THE following Bill and Statement of Objects and Reasons accompanying it are published for general information by order of His Excellency the Governor-General in Council :—

No. 51 OF 1862.

A Bill to consolidate and amend the law relating to the employment and remuneration of Peons for the service and execution of Civil process in the Courts of the North-Western Provinces of the Presidency of Fort William in Bengal.

WHEREAS it is expedient to consolidate and amend the law relating to the employment and remuneration of Peons for the service and execution of Civil process in the Courts of the North-Western Provinces of the Presidency of Fort William in Bengal ; It is enacted as follows :—

1. From and after the passing of this Act, Laws repealed. Section XIV of Regulation XXVI. 1814 of the Bengal Code (for modifying some of the Rules at present in force regarding the admission and trial of special and summary appeals from decisions passed in regular suits ; for limiting and altering some of the existing provisions respecting the pleadings and processes, and the mode of executing decrees and regular suits and appeals ; and for explaining and making certain additions to the provisions of Regulation I. 1814), Section V of Regulation VII. 1832 of the said Code (for modifying certain of the provisions of Regulation V. 1831, and providing supplementary Rules to that enactment), and Act XIV of 1845 (to provide for the appointment of Nazirs in the Mooniffs' Courts) shall cease to have effect in the North-Western Provinces of the Presidency of Fort William in Bengal.

II. The Judges of the several Zillah Courts and Courts of Small Causes in the said North-Western Provinces shall, as soon as conveniently may be after the passing of this Act, fix the number of Peons necessary to be employed for the service and execution of processes issued out of such Courts, and the Judge of every Court subordinate to a Zillah Court shall, subject to the approval of the Zillah Judge to whom he is subordinate, fix the number of Peons necessary for the service and execution of processes issued out of the Court in which he presides, and the number of Peons so fixed shall be appointed for such Zillah Courts, Small Cause Courts, and subordinate Courts respectively.

III. The appointment of Peons under the last preceding Section shall be made, subject to the approval of the Judge of the Court, by the Nazir of the Court in which the Peons are employed, or by the Clerk of the Court where there is such an Officer ; and every such appointment shall be registered in the Court with the following particulars : the name of the Peon, his age, his place of abode, his father's name, and date of appointment.

IV. No person who shall not be appointed and registered as a Peon in the manner hereinbefore provided shall be employed in the service or execution of the process of any Court without the special leave of such Court.

V. The Peons who are appointed and registered in the manner above prescribed, shall be furnished at the expense of the State with a uniform belt and plate, on which shall be inscribed the Court to which the Peon belongs and the number of the Peon in the Register.

VI. The Peons appointed and registered under this Act shall either receive fixed salaries, or be remunerated by fees for the service of the processes served or executed by them, as the local Government shall direct. The amount of salary shall be fixed by the local Government.

VII. The cost of serving or executing processes shall be fixed by the Judge of each Court with due regard to the distance from the Court at which service or execution is to take place. The rates so fixed shall be subject to the sanction of the Zillah Judge, if the Judge fixing the same be subordinate to a Zillah Judge. A Table showing the amount chargeable for such service and execution shall be exposed to view in a conspicuous part of the Court.

VIII. On every process served or executed under this Act there shall be endorsed the name of the Peon deputed to serve or execute the same, the period within which the Peon is required to certify service or execution, the amount payable for the service or execution of the process, and the date of payment, and such endorsement shall be signed by the Nazir or Clerk of the Court.

IX. When the Peons appointed under this Act are remunerated by a fixed salary, the money paid under this Act for the service or execution of processes shall be carried to the credit of Government, and shall be formed into a fund out of which the salaries of such Peons shall be paid. Any surplus that may accrue from such fund, after paying the salaries of the Peons, shall be at the disposal of the local Government, and may be applied by such Government, subject to the approval of the Governor-General in Council, to the improvement of the administration of Civil Justice in the North-Western Provinces.

X. When the Peons appointed under this Act, are remunerated for their services by fees, the Nazir or Clerk of the Court shall, on delivering any process to be served or executed, pay to the Peon employed to serve or execute such process one-half of the fee deposited for the service or execution of the same, and on such Peon returning to the Nazir or Clerk of the Court such process duly served or executed, the Nazir or Clerk of the Court shall pay to such Peon half of the balance of the fee so deposited. The remaining half of such balance shall be carried to the credit of Government, and shall be added to the fund, if any, for which provision is made in the last preceding Section, and shall be appropriated as therein directed. If the process shall not have been served or executed, the Peon shall nevertheless be entitled to receive the half of such balance as aforesaid, if he shall show to the satisfaction of the Court in which he is employed, good and sufficient cause for the process not having been served or executed.

XI. A regular account of all moneys received into and paid out of Court under this Act shall be kept, and extracts from this account shall be forwarded to the local Government at such times, and in such form as such Government shall direct.

XII. Every process served or executed under this Act shall be held to be a process within the meaning of Sections 23 and 188 of the Code of Civil Procedure.

XIII. The Sudder Court shall have power to make rules not inconsistent with this Act, and from time to time to vary such rules, for carrying out the provisions of this Act in all Courts subordinate to the Sudder Court, as well as in the Courts of Small Causes established within the limits of the jurisdiction of the Sudder Court. The rules so made shall be affixed to the Table of Costs under Section VII of this Act.

XIV. The term "Judge" in this Act shall denote the Presiding Judicial Officer in every Court of Civil Judicature, by whatever title he shall be designated.

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to consolidate and amend the Law relating to the employment and remuneration of Peons for the service and execution of Civil process in the Courts of the North-Western Provinces of the Presidency of Fort William in Bengal.

The Code of Civil Procedure (Section 2, Act XXIII of 1861) declares that "every process required to be issued under the Code shall be served at the expense of the party at whose instance it is issued, unless otherwise specially directed by the Court; and that the sum required to defray the costs of such service shall be paid into the Court before the process is issued, within a period to be fixed by the Court issuing the process." But the Code contains no rules for the appointment of the Peons to be employed in the service of the processes of the Civil Courts, for regulating the charges for such service, or for the remuneration of the Peons employed on this duty, and the Sections of the Regulations and the Act, quoted in the margin, which the Bill proposes to consolidate and amend, continue to be the rule of guidance in all matters relating to the appointment and remuneration of the persons employed to serve the processes of the Civil Courts. As regards the processes of the Criminal Courts, to which Section XIV, Regulation XXVI of 1814, also applies, it is sufficient to mention that the Code of Criminal Procedure authorizes no charge being made on the parties for the service or execution of such processes except in the single case for which provision is made in Section 228 of the Code. Under that Section a Magistrate may refuse to summon any witness for the defence whose evidence he considers unnecessary until a deposit is made to defray the expense of obtaining the attendance of such witness.

Under the Laws at present in force the Nazirs of the Civil Courts are allowed to appropriate to their own use, in addition to any fixed salaries received by them, one-fourth of the subsistence or diet money deposited for the service or execution of every process, the remaining three-fourths being paid to the Peon employed to serve or execute the process. The provision of Law, under which this appropriation takes place, applied originally only to the Nazirs of the Zillah Courts, but it has been extended by subsequent enactments to all the subordinate Civil Courts. The effect of the provision has been not only to raise the emoluments of the Nazirs of the Civil Courts generally much beyond what, looking to the position of these Officers and the nature of their duties, may be considered an adequate remuneration for their services and responsibilities, but frequently to give the Nazirs in

the Courts of the Moonsiffs larger allowances than are received by the Moonsiffs under whom they are employed. This has led to abuses from which there can be no doubt the character of the Courts in which they have been practised has suffered.

The Bill, after laying down rules for the appointment of the Peons to be employed in the service of the processes of the Civil Courts, and for regulating the charges for such service, provides for the remuneration of the Peons either by fixed salaries or by fees. When the Peons receive fixed salaries, the sums paid into Court for the service of processes will be formed into a fund out of which the salaries of the Peons will be paid. When the Peons are remunerated by fees, three-fourths of the money, paid as above, will be given to the Peons employed to serve the process, and the remaining one-fourth will be carried to the credit of Government to cover any charges to which the Government may be put in connection with the department. Any surplus from this source, or from the fund before mentioned, will be at the disposal of the local Government, and it is proposed that it should be applied by such Government, subject to the approval of the Governor-General in Council, to the improvement of the administration of Civil Justice in the North-Western Provinces.

Though it has been thought necessary to make provision in the Bill for the payment of the Peons employed to execute the processes of the Civil Courts by fees as well as by fixed salaries, I deem it probable that the latter mode of payment will be generally observed. The system of paying the Peons of the Civil Courts fixed salaries, instead of remunerating them for their services by fees, has already been tried in the North-Western Provinces, to which alone the provisions of the present Bill are intended to apply, and it has been found to work well.

Financial Order, No. 3057, dated 28th April last, together with the Abstract therein referred to, of correspondence on the subject of a proposal for the introduction of Quarterly in lieu of Monthly Contingent Bills.

Letter from the Government of the Punjab, No. 462, dated the 17th June last, reporting that in anticipation of the approval of this Government, it has directed that the former plan of preparing Contingent Bills monthly be reverted to from the beginning of the 2nd Quarter of 1862-63.

Letter to Ditto in reply, No. 450, dated 8th ultimo, intimating that final orders on the subject will be communicated hereafter.

Read also a Report from the Officiating Auditor-General of India on the subject, No. 397, dated 19th ultimo.

RESOLUTION.—His Excellency the Governor-General in Council observes that the plan of submitting for audit Quarterly, instead of Monthly

Contingent Bills in most of the Departments of the Public Service was introduced into the Punjab as an experimental measure, on the 1st January 1860, and that the result of two years' trial is that most of the Officers in the Punjab are now agreed in condemning it, as being productive of little benefit and much inconvenience.

His Excellency in Council observes also from the Officiating Auditor-General's Report that the opinion of almost all the Officers of the Department of Audit and Account is against the *Quarterly* system.

Prima facie it seems to His Excellency in Council an anomaly to apply to contingent expenditure a quarterly system with all the inconvenience of Treasury advances on account large inefficient balances and deferred adjustments, when monthly payments and accounts are maintained for other branches of expenditure, and as the scheme has had a fair trial, His Excellency in Council is of opinion that the advantages resulting from it are not sufficient to justify its substitution for the monthly system. He is pleased therefore to resolve that the plan of submitting *Monthly* Contingent Bills shall be continued.

ORDER.—Ordered, that a copy of the above Resolution be sent to the Home and Foreign Departments for information and for the issue of the necessary orders.

Also, that a copy be sent to the Governments of Bengal, Madras, Bombay, the North-Western Provinces, and the Punjab, and to all the Civil Pay Masters and Deputy Auditors and Accountants-General for information and guidance.

Ordered further, that a copy be published in the *Calcutta Gazette*.
